

Margi Preus

NEWBERY HONOR-WINNING AUTHOR,
SPEAKER & EDUCATOR

Margi Preus's writing career began when her audition for the kindergarten musical went horribly wrong. Since then, she has written a bazillion plays, a couple of comic operas, and a bunch of books, including the Newbery Honor book **Heart of a Samurai** and other notable books for young readers. Her books have landed on the New York Times bestseller list and many other "best-of" lists, been honored as ALA/ALSC Notables, translated into several languages, and won many awards.

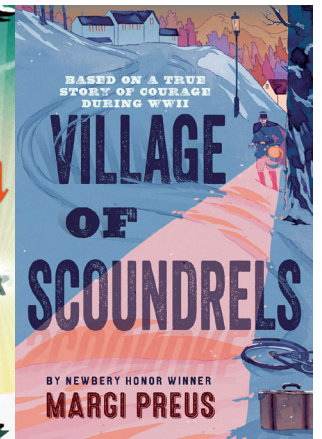

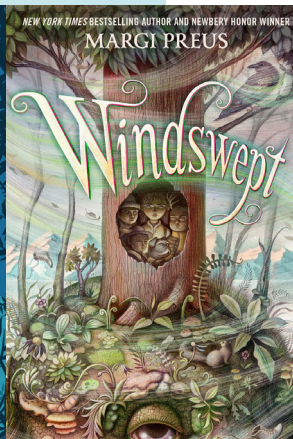

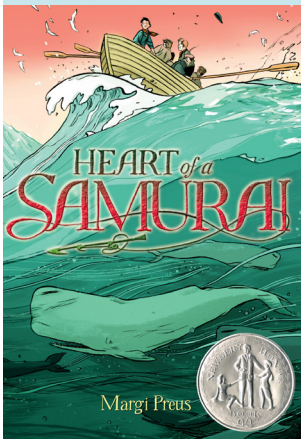

Margi's background in children's theater is apparent in her dynamic and interactive presentations. With picture books, chapter books, and middle grade novels from historical fiction to mystery to fantasy, Margi enjoys conversing with grades K-8 (and even grown-ups!). Her presentations include engaging visuals, fun storytelling activities, and plenty of writing tips to reinforce that we are all storytellers with amazing stories to tell!
